Please remember that it is your responsibility to attend to any required vaccinations (including Covid) prior to joining the expedition and leaving the UK, and also to understand the visa & passport validity requirements for The Russian Federation. If in doubt contact the World Health Organisation and relevant sections of the Foreign & Commonwealth Office websites.

If you work for the police, the armed forces and certain other organisations you may need to check with your employer and The Russian Federation embassy website to ensure there are no additional requirements to be met before you will be granted a visa.

By signing this form you confirm that we are allowed to store your personal details and for us to share contact details with other individuals interested in joining the expedition ie group emails, ground staff and insurers. Also that we are allowed to use photographs and video taken before or on the expedition that may include you, for the purpose of press articles, future marketing, film making & fund-raising and on our / our sponsors' websites.

Please sign, scan and email the signed form to us. The contact details are on the Contact Page on the website. Thank you.
